SELECTED WORK / PORTFOLIO

Ceilings & Decorative Interiors

Sculptural forms.
Extraordinary detail.

auranestinterior.com

A COLLECTION OF CRAFTSMANSHIP

The art of looking up

From expressive contemporary forms to richly ornamented interiors.

Form. Light. Detail.

A portfolio of ceilings and decorative interiors, brought together through shape, proportion and surface detail.

Finished interiors lead the collection. Site photography offers a closer look at the work behind the decorative finish.

Featured interiors

Sculptural ceilings

Installation portfolio

Detail archive

FEATURED INTERIORS

Ornament at an architectural scale

Layered relief, repeated arches and a richly detailed central ceiling feature.

Decorative ceiling and coordinated wall composition

FEATURED INTERIORS

A classical language of detail

Moulded wall features, framed panels and traditional ceiling ornament.

Arched wall detailing

Ceiling rose and chandelier composition

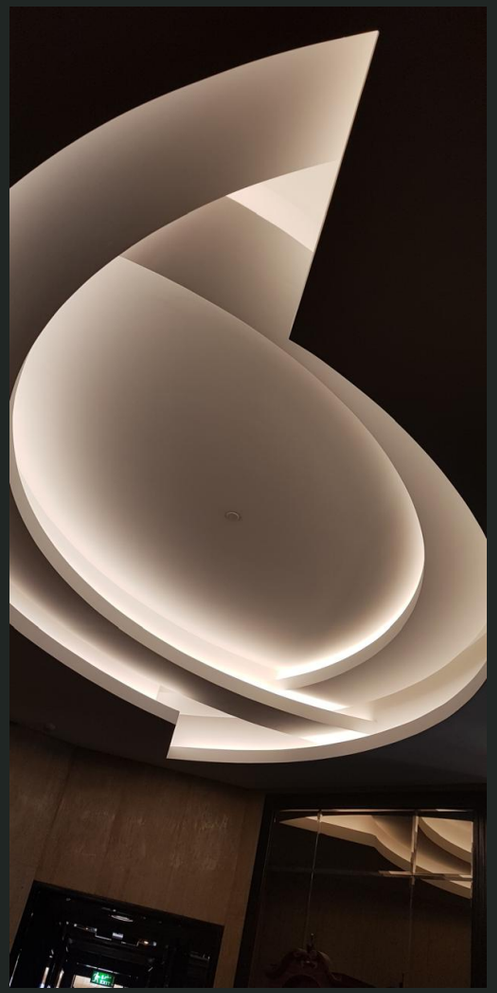

SCULPTURAL CEILINGS

Light, form and surface

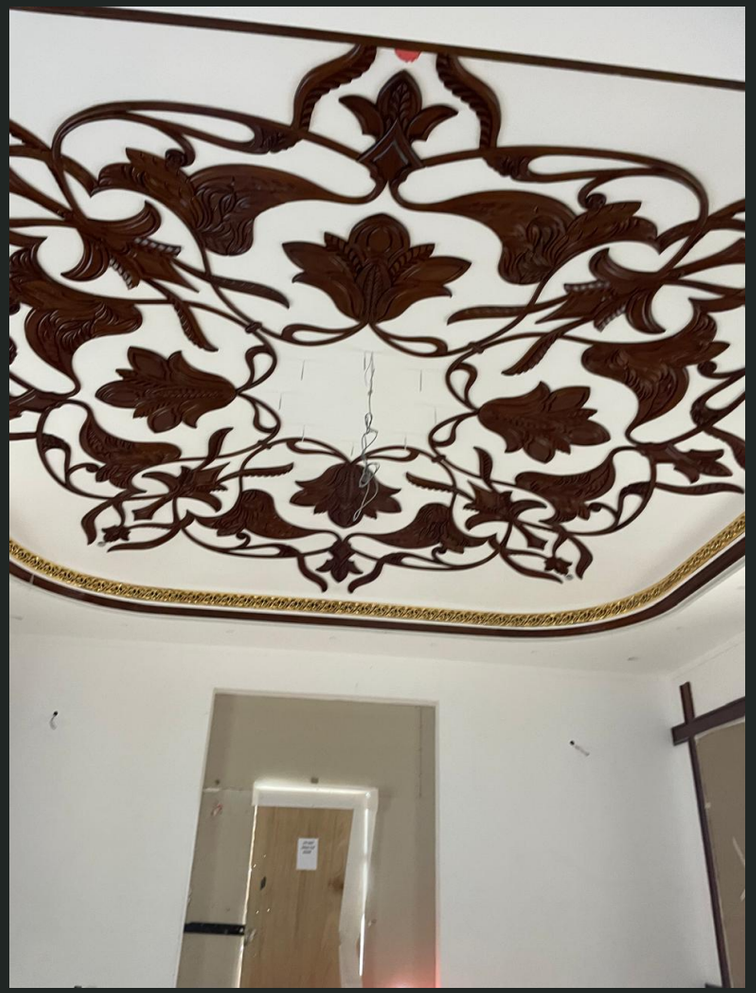

Contrasting approaches to expressive overhead design.

Flowing curves.
Floral relief.
A distinct identity.

Selected views
from the portfolio.

Layered curves with concealed lighting

Floral relief with contrasting decorative finish

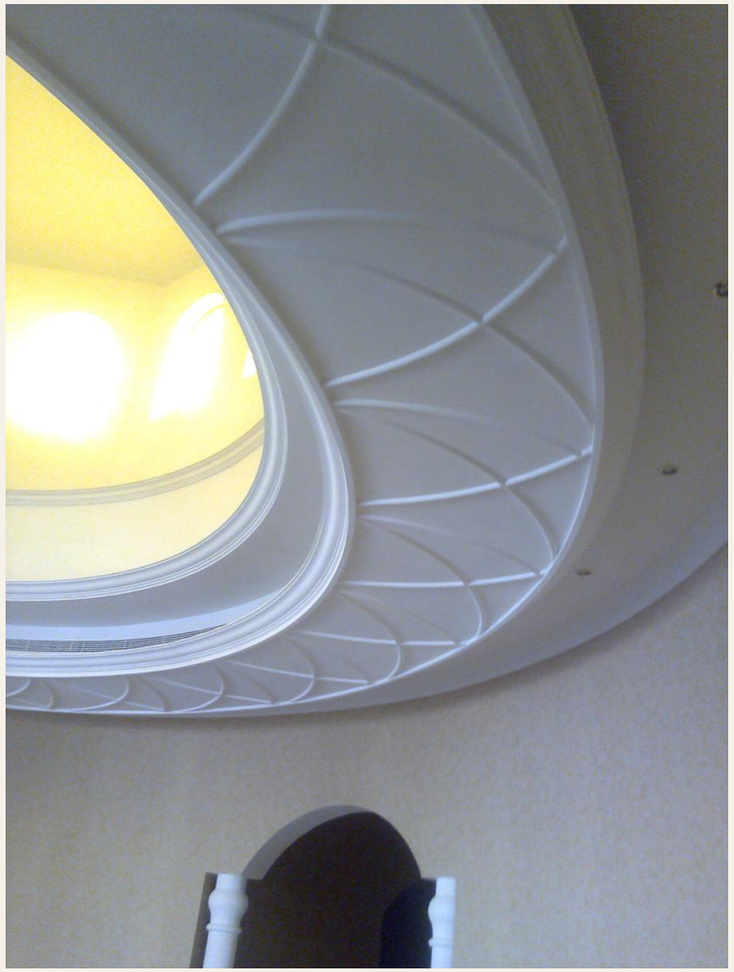

SCULPTURAL CEILINGS

Circular rhythm

Concentric layers, decorative bands and curved perimeter details.

Decorative concentric ceiling

Curved relief around a central opening

INSTALLATION PORTFOLIO

Crafted from the framework up

Site photographs record different stages of installation and finishing.

Curved board forms and exposed framework

Geometric relief during surface preparation

INSTALLATION PORTFOLIO

Star geometry

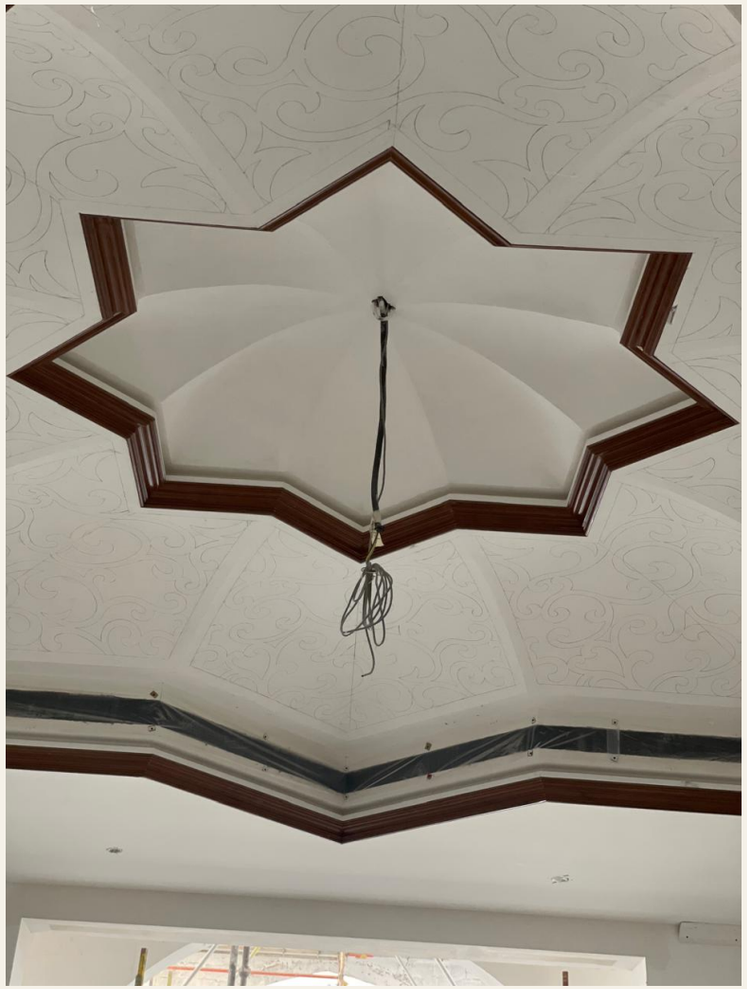

Faceted central forms framed by contrasting trim and fine surface patterns.

Faceted forms.

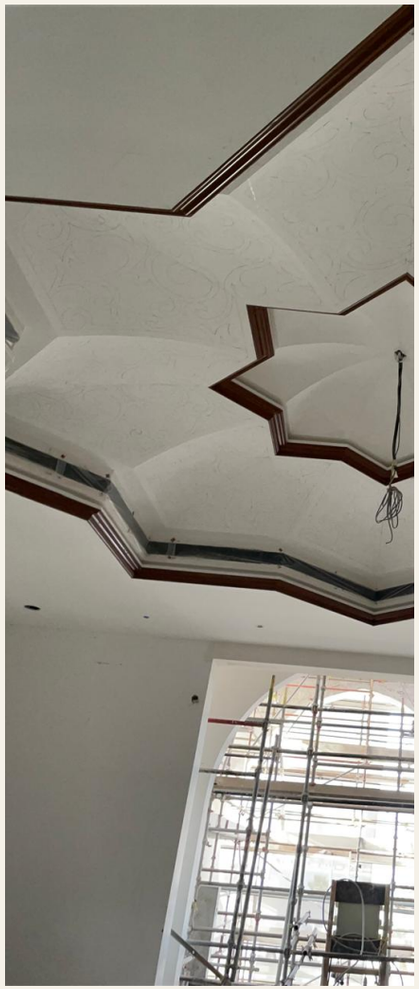

Contrasting trim.

Fine pattern.

Selected views
from the portfolio.

Central star feature - installation stage

Wider ceiling composition - installation stage

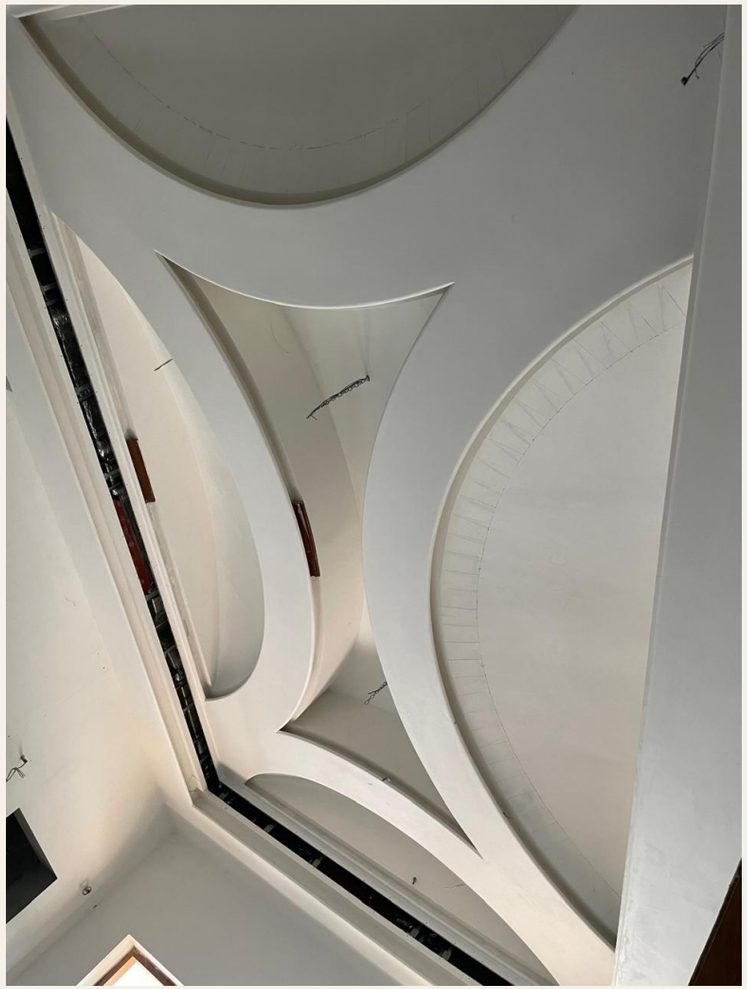

INSTALLATION PORTFOLIO

Sweeping profiles

Shaped ceiling planes, recessed fields and perimeter service openings.

Sweeping lines and softly layered ceiling planes.

Selected views from the portfolio.

Intersecting curved profiles - finishing stage

Elongated oval recess - finishing stage

INSTALLATION PORTFOLIO

Circular compositions

Circular ceiling features documented during installation and finishing.

Moulded ring installation

Recessed circle

Circular field and perimeter recess

INSTALLATION PORTFOLIO

Quiet, ordered lines

Linear coffers and restrained tray ceilings recorded on site.

Simple lines.

Measured rhythm.

Quiet definition.

Selected views
from the portfolio.

Parallel recessed panels

Rectangular tray ceiling

INSTALLATION PORTFOLIO

Softly rounded volumes

Large curved recesses and floral geometry during finishing.

Rounded volumes and gentle changes in depth.

Selected views from the portfolio.

Oval tray ceiling

Petal-shaped central feature

DETAIL ARCHIVE

Expressive curves

Archive site photographs illustrating a range of shaped ceiling details.

Spirals, scrolls and expressive layered forms.

Selected views from the portfolio.

Spiral sculptural forms - installation stage

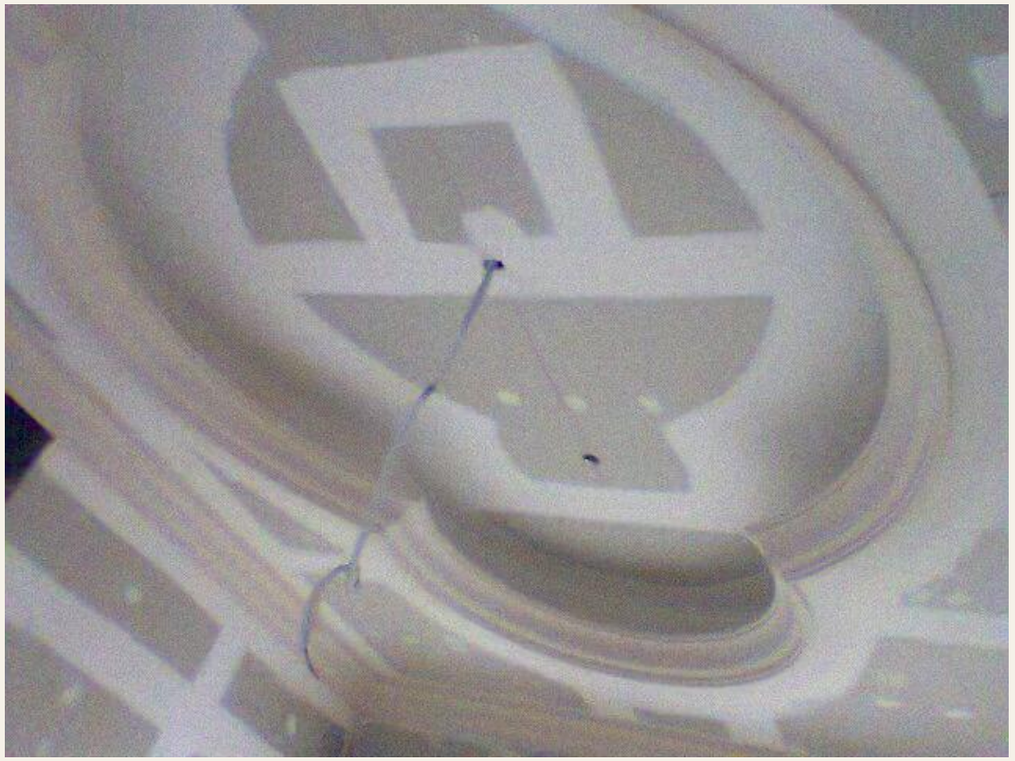

Scroll and cornice composition - installation stage

DETAIL ARCHIVE

Pattern and proportion

A study of geometric relief, circular forms and intersecting lines.

Layered circular geometry - installation stage

Intersecting curved relief - installation stage

DETAIL ARCHIVE

Coffers and recessed fields

Selected archive photographs of ceiling layouts and moulded edges.

Square coffer grid

Linear panel arrangement

Circular recessed field
